

REFLECTIVE SAFETY TAGS

REFLECTIVE ACCESSORIES FOR ENHANCED VISIBILITY

A SMALL ACCESSORY FOR BETTER VISIBILITY

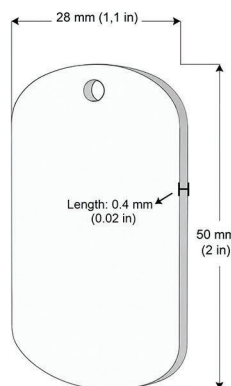

Lightweight, practical and easy to attach, the reflective safety tag helps improve children's visibility during their daily activities and travels.

Attach it to a backpack, lunch bag, zipper or keychain. Its reflective surface catches light to help make the user more visible in low-light conditions.

PERFECT FOR:

A simple solution for large-scale distribution

-  Schools and school service centres
-  Municipalities
-  Road safety campaigns
-  Student visibility programs
-  Youth activities and events
